## VIA COURIER

The Commissioner of Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450  
U.S.A.

Dear Sirs:

**RE: U.S. Patent Application Serial No. 09/462,816**  
**Applicant: Xiaomao Li et al.**  
**Title: NUCLEIC ACID VACCINES ENCODING G PROTEIN OF RESPIRATORY SYNCYTIAL VIRUS**

We have received your return postcard, date stamped October 16, 2003, indicating receipt of the documentation forwarded September 19, 2003. A copy of that return postcard is enclosed.

The shipment was sent by courier and a copy of the waybill that accompanied the shipment is enclosed. The courier company, DHL, tracking the information indicates that the shipment in question was delivered to the PTO on September 23, 2003 and signed for by "Barfield". A copy of the tracking results showing the delivery of the documentation on that date is enclosed.

It is questioned, therefore, why the PTO have indicated on the return postcard that the shipment was not received until October 16, 2003.

We await your response and a correction of the receipt information.

Yours truly,

A handwritten signature in cursive script, appearing to read "Michael I. Stewart", written over a horizontal line.
